

HÅG Futu

The skinny on HÅG Futu

Scalability

- One-size task chair
- Height and width adjustable arms or armless
- Standard with black nylon base, or step it up to painted aluminum
- Specially designed three-dimensional HÅG FutuKnit upholstery in 8 great colors

Imbedded Functionality

- Dynamic ergonomics:
 - inBalance technology (balanced, forward and backward flowing tilt function)
 - Standard model includes adjustments for seat depth, lumbar, seat height, tilt-lock and tension
 - First of its kind, "back slider", adjusts seat depth, allowing user's center of gravity to stay balanced
- Simple surface, complex core.

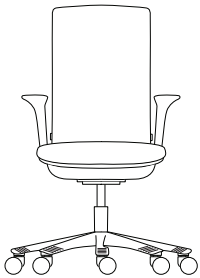

Modernist Principles of Simple Intuitive Design

- Classic Scandinavian design with a clear purpose, by HÅG Design Studio:
 - Distinctive visual design
 - All aspects designed to radiate movement (and joy)
 - Immediate comfort from the first sit to the thousandth
 - Self-explanatory function follows intuitive movement (no instruction manual necessary!)
 - Green features built into the design (we still love those earth-loving Scandinavians)

Human Centered

- Comfort and support in various tasking positions, freedom to move with limited mobility
 - Generous seat pan
 - Slim back
 - Appropriate scaled arms
- HÅG principles of variation and movement for more comfort

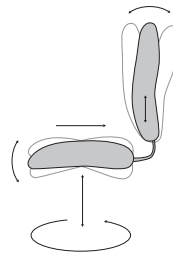

Model

HÅG Futu

Width	24.125-27.75
Depth	21-24.125
Height	37-43
Seat width	19
Seat height	15.75-21.75
Seat depth	15-18.125
Back width	14.75
Back height	23.625
Arm height	23.5-33.25
Arm width	18-21.625
