e0+...an economical furniture system, designed with the small office in mind.

e0+

e0+ is a versatile product with many small office applications. e0+ is aesthetically appealing, easy to specify, install and reconfigure. To address today's environmental concerns, e0+ panel frames are made from recycled aluminum and are painted with a durable epoxy powder coating that is VOC and lead free. The core of the e0+ panel is tackable honeycomb made from 30% recycled card stock. Nothing from an e0+ panel needs to go to landfill! The entire e0+ panel is recyclable at the end of its life.
