2540
Stacks up to 15 high on the dolly (both models)

STACK-M, a unique "high-density" stacking chair that can be stored in a small amount of storage space. Seats and backs, made from polypropylene, move with you as you change seating positions. Frame is made from heavy gauge steel and is available exclusively in chrome with black seats, backs and arms rests. Standard with glides. For hard surface floors, non-marking glides available. Optional dolly makes for easy movement of chairs and storage capabilities.
