CITI offers a contemporary timeless look that fits anywhere, it is finely scaled - just 31" deep and 30" wide for the club chair, 50.5" wide for the two seater and 72" wide for the three seater. - so it works particularly well where space is at a premium or where a lighter scale presence is desired. Cushions are sewn with double-needle-stitched seams and sits high and firm, making it extremely appropriate as reception area or office seating.
